

RESOLUTION 2010-07-1: SWAN, ELK & BROADWAY METERS

WHEREAS, the Albany Parking Authority has statutory authority, subject to approval by the Chief of Police, to install parking meters throughout the City of Albany, for the purpose of regulating, monitoring and encouraging the efficient use of parking, and

WHEREAS, there is substantial parking demand associated with Empire Plaza occurring along Swan Street, and at Elk and Broadway associated with commercial businesses, and

WHEREAS, the introduction of meters at and near this location will promote the efficient use of parking, and

WHEREAS, the Chief of Police has consented to, and authorized, the expansion of the parking meter system to include Swan Street, and

WHEREAS, it is intention of the Albany Parking Authority to promote the efficient use of the parking through the use of parking meters, and

WHEREAS, the Albany Parking Authority, by its Executive Director, Michael Klein, has conferred with the Traffic Engineering Department of the City of Albany and the Albany Police Department and has obtained their support for the placement of such meters.

NOW, THEREFORE, upon motion duly made, seconded and carried by a vote of 4-0, it is hereby

RESOLVED that the Albany Parking Authority authorizes the expansion of the parking meter system to include Elk and Broadway as specified in the maps attached hereto and made a part hereof as fully set forth herein, and it is further

RESOLVED that the Executive Director shall be, and he hereby is, authorized to proceed with the installation and maintenance of parking meters throughout the area as designated, and it is further

RESOLVED, that the Executive Director shall be empowered to set the parking rate, duration, and other operational details for the meters so installed and to modify same, from time to time, to promote the most efficient use of the parking spaces that are metered.
